

Dear business partner / exhibitor,

REAL SECURITY is organizing one of the largest events in the field of computer security in the region **ADRIATIK - RISK2010 between 10.2. and 11.2.2010**. Themes from lecturers are attracting more and more visitors every year. Some of them are already familiar with the area of computer security, others just recognized the importance of computer security and are seeking information.

We are inviting you to join us as exhibitor where you will be able to present your company and your solutions.

Three packages are available:

"S" PACKAGE includes:

- exhibition space (desk, approx. 2m²), one person,
- time 2 days,
- publication of the exhibitor at the conference website www.risk-conference.com.
